

"Sine Cera Rainforest Retreat" was an incredibly beautiful stay with the natural beauty of the NSW rainforest and border ranges enhanced by the kind, considerate and exceptional service of the staff. Never have I felt so relaxed and comfortable thanks to the wonderful accommodations that were provided and I would recommend "Sine Cera" to anyone who wants to experience an atmosphere that is truly magical."

"Sine Cera was recommended to me when I was searching for a venue for a 5 day retreat and it is a place I would now recommend to others. The last half of the drive to Sine Cera is spectacular. The scenery and landscape is so changeable, from rolling fields to running creeks and gorges to sub-tropical rainforest , the wildlife is abundant, spotting handfuls of wallabies on the last stretch of road leading us to Sine Cera. Sine Cera itself is unique, a place that is only a two hour drive from Brisbane but allows you the space and opportunity to retreat from everyday life, relax and enjoy the serenity and appreciate and explore the surrounding natural beauty. Irma and Tony gave us an experience that complimented what our retreat aimed for, primarily rejuvenation and renewal. The accommodation was immaculate and comfortable with special little touches that didn't go unnoticed. Throughout our time at Sine Cera, our hosts did all that they could to make sure all our needs were met and our retreat schedule unfolded with ease.

Thank you Irma and Tony for an experience I will never forget, I returned to Brisbane feeling invigorated and I look forward to visiting Sine Cera again very soon!"

"I found the setting not only beautiful but lovingly cared for. The process of our retreat was always supported in this lovely setting. Support was there as we needed it, we had time to ourselves. Our needs were more than amply met with graciousness and foresight.

Hi Tony and Irma...

Thank you for looking after us during our stay on our Tour. Your hospitality was wonderful and it was a pleasure to stay in such magnificent surroundings with hosts who made us feel so welcome. The accommodation was very comfortable and nothing was too much trouble. Even a late change in our plans was sorted with minimal fuss and was greatly appreciated. Looking forward to our next stay!

Regards,
